

WARNING FROM A FORMER MUSLIM

2008-01-25 15:07:35 by Southern

I was born and raised as Muslim. My whole family is still Muslim. I know every genetic code of Muslim. I know Islamic brain. I live and breath with them. I am an insider. I left Islam when I understood that Islam is a sick and evil religion. The following are the Islamic message to the West.

To the infidels of the West:

The Constitution for the new Islamic Republics of EuroArabia and AmerIslamia is under construction.

We will fight the infidel to death.

- Meanwhile American laws will protect us.
- Democrats and Leftist will support us.
- N.G.O.s will legitimize us.
- C.A.I.R. will incubate us.
- The A.C.L.U. will empower us.
- Western Universities will educate us.
- Mosques will shelter us
- O.P.E.C. will finance us
- Hollywood will love us.
- Kofi Annan and most of the United Nations will cover our asses.

Our children will immigrate from Pakistan, Egypt, Saudi Arabia, Iran, and Indonesia and even from India to the US and to the other Western countries. They will go to the West for education in full scholarship. America is paying and will continue to pay for our children's educations and their upbringing in state funded Islamic schools.

We will use your welfare system. Our children will also send money home while they are preparing for Jihad.

We will take the advantage of American kindness, gullibility, and compassion. When time comes, we will stab them in the back. We will say one thing on the camera and teach another thing to our children at home. We will give subliminal messages to our children to uphold Islam at any cost. Our children in America will always care more about Islamic Country's interest than US interest.

We will teach our children Islamic supremacy from the very childhood. We will teach them not to compromise with Infidel. Once we do that from the very early age our children won't hesitate to be martyr. We will take over the Europe first and then US will be the next. We already have a solid ground in the UK, Holland, Sweden, Spain, Italy, Germany, and now in the US.

Our children will marry Caucasian in Europe and in America. We will mixed with intricate fabric

of the Western society but still will remember to Jihad when time comes. Who are we?

We are the “sleeper cells”.

We will raise our children to be loyal to Islam and Mohammad only. Everything else is secondary.

At the time of the real fight we will hold our own children as our armor. When American or Israeli troops shoot at us the world will be watching. Imagine,... Imagine the news in the world “Death of Muslim babies by infidels”.

We know CNN, ABC, CBS are broadcasting live. Al-Jazeera will pour gasoline on the fire. The news will spread like wildfire. “Americans killed 6 babies, 10 babies”. “Jews killed two women”,

Keep your Nukes in your curio cabinets. Keep your aircraft carrier or high-tech weaponry in the showcase. You can't use them against us because of your own higher moral standard. We will take the advantage of your higher moral standard and use it against you. We won't hesitate to use our children as suicide bomber against you.

Visualize the news flash all over the world, ...Moslem mother is sobbing,crying.Her babies are killed by Jews and Americans, the whole world is watching live. Hundreds of millions of Muslims all around the world are boiling. They will march through Europe. We will use our women to produce more babies who will in turn be used as armor/shield. Our babies are the gift from Allah for Jihad.

West manufactures their tanks in the factory. We will manufacture our military force by natural means, by producing more babies. That is the way it is cheaper.

You infidels at this site cannot defeat us. We are 1.2 billion. We will double again. Do you have enough bullets to kill us?

On the camera:

- We will always say, “Islam is the religion of Peace.”
- We will say, “Jihad is actually inner Jihad.”
- Moderate Muslim will say there is no link between Islam and Terrorism and the West will believe it because the West is so gullible.
- Moderate Muslim all over the world will incubate Jihadist by their talk by defending Islam.
- Using Western Legal system we will assert our Sharia Laws, slowly but surely.
- We will increase in number. We will double again.

You will be impressed when you meet a moderate Muslim personally. As your next-door neighbor, coworker, student, teacher, engineer, professionals you may even like us. You will find us well mannered, polite, humble that will make you say, “wow, Muslims are good and peaceful people”, But, we will stab you in your back when you are sleeping as we did on 911.

There will be more 911 in Europe and in America. We will say, "We do not support terrorism but America got what it deserved."

Muslims, CAIR, ISNA, MPAC and other international Islamic Organization will unite. We will partner with Leftist, ACLU, with Koffi Annan, and the UN, and if we have to then even with France. Fasten your seatbelt. The war of civilizations has just begun.

We will recite Quran and say Allah-Hu-Akbar before beheading infidels, as we have been doing it. We will video tape those and send it to all infidels to watch. They will surrender - ISLAM means surrender.

We will use your own values of kindness against you.

You are destined to loose.

Must be very depressing for you. Isn't it?

Allah-Hu-Akbar
as we say just before beheading.

21st Century Islamic Warfare: Muslims Vs. the West
- Let's see the effectiveness of Islamic warfare -

THE RULE HAS CHANGED. There is new game in town.

Bill Clinton ordered 50 Tomahawks Cruise missiles costing \$100,000,000 each to destroy \$50 mud houses that belonged to Osama's family. What a stupidity? What a poor ROI (Return On Investment)! And then Bush went into Iraq!

In return Osama's attack on the US.
Cost: 19 martyrs and less than \$500,000.
Cost to the West: over 3,000 dead.

At least \$1,000,000,000,000 (one trillion) dollars economical loss in one year. This includes the ripple effect.

Osama's ROI with respect to: life = $3,000/19 = 158$ fold.
Dollar = $\$1 \text{ tr.}/500\text{K} = 2,000,000$ fold

That is modern warfare. The West will loose.

Allah-Hu-Akbar

Islam will rule the world. There is nothing you can do. Even if the per capita GDP of the world drops to half of its present level as a consequence of Islamic laws in place all over the world but still Islam will rule the word.

From your point of view we bring to the world to the dark ages, so be it. But still Islam wins, West loses.

Are you sure you want to play this game?

Jihad, ..Jihad...Jeeehaaad...

You are destined to lose.

Allah-Hu-Akbar

Saudi Arabia's \$100 billion investment over the last 3 decades on over 60 thousands Madrassas and school all over the Islamic world is finally paying off. While the West was busy inventing medicine, increasing life expectancy, elevating human suffering, decoding human gene to find cure for Cancer, heart disease etc, launching space shuttle, inventing internet, working on new laws/theory for human rights, developing better economical models for a more prosperous world, while ACLU was gaining control over common sense, while American ingenuity was benefiting the rest of the world, we Muslims were busy producing over 200 million out of 1.4 billion, Walking, Talking, Non-Thinking, West-Hating, Pre-Programmed, Suicidal, Parasitic, Terrorist Robots. You can't win. The Genie is out of the bottle.

We will use American's kindness, fairness, compassion, freedom of speech and non-discriminatory policy against them. We will stab them in the back.

What are you going to do? You are doomed.

[masada2000](#)

So die, Muslims, but don't expect anyone to care. If you come to kill us we will kill you by the millions. No loss. And when your oil becomes worthless you will be poor and you will have no weapons or explosives.
