

Election 2012: Wisconsin President

2011-11-10 00:05:11 by Southern

Wisconsin: Perry 46%, Obama 42%

Barack Obama carried Wisconsin easily in the 2008 presidential election, but he is slightly behind Texas Governor Rick Perry and runs just ahead of two other top Republican hopefuls in Rasmussen Reports' first Election 2012 look at the Badger State.

Perry earns 46% support from Likely Wisconsin Voters to Obama's 42% in a new statewide telephone survey. Six percent (6%) prefer some other candidate, and another six percent (6%) are undecided. (To see survey question wording, click [here](#).)

The survey of 500 Likely Voters in Wisconsin was conducted on October 26, 2011 by Rasmussen Reports. The margin of sampling error is +/- 4.5 percentage points with a 95% level of confidence. Field work for all Rasmussen Reports surveys is conducted by Pulse Opinion Research, LLC. See methodology.
