

Obama Commits Treason With The Muslim Brotherhood

We witnessed another one of Barack Obama's oddities with the Muslim Brotherhood. The first anomaly was when Obama was almost giddy when the Muslim Brotherhood president of Egypt, Mohammed Morsi, ascended to power. The Muslim Brotherhood had openly called for the destruction of the United States "from within", most recently apparent in Muslim Brotherhood front groups like CAIR calling for the purging of any training materials within the FBI and CIA that "offended" Muslims. Barack Obama of course dutifully complied.

The most recent oddity, however, is Obama calling on Morsi to "broker a truce" between Hamas and Israel. Hamas has fired on average one thousand rockets per year at Israel from the Gaza strip; and for eight days, Israel did something that they should have done a decade ago: fight back.

Keep in mind that the Muslim Brotherhood is the parent organization of Hamas. Keep in mind that, like Hamas, the Muslim Brotherhood has called for the annihilation of Israel. So for Obama to call on Morsi to "broker a truce" is ridiculous.

The so-called "truce" amounts to Israel ceasing to defend herself and the opening up of the Gaza strip blockade that has kept Iran and other extremists countries (now Egypt) from shipping more powerful weapons to Hamas.

Furthermore, Obama colluding with someone who is part of an organization that has openly called for the destruction of the United States amounts to treason in my book.
