

Paessler Local IP Lister

2008-09-08 00:21:10 by Southern

Fast And Easy IP-Detection

Paessler Local IP Lister shows the list of IP addresses that are configured on your PC and that can be used for the internal web servers of PRTG (Traffic Grapher and Network Monitor). The small tool doesn't need any installation, just download and execute.

It lists all installed IPs available on your local PC.
