

O-Grow 1.0

2008-09-27 12:47:22 by Southern

Released in 2006 O-Grow is the first continuous-play marijuana growing simulation game on the PC. Offering two gameplay options of full mode or simulation mode, players can benefit from all game features or disable the fictional parts of the game such as the trading market and objectives. Choose your seeds to plant by reading the information in the shopping section. Gameplay is accompanied by original music.
